

## Morning Prayer – Daily Lectionary

*At Morning Prayer we use the collect and New Testament Reading from the Daily Lectionary.*

*A non-scriptural reading may be added.*

*We use one psalm, normally printed in bold type in the Lectionary and we usually use the simpler contemporary Collects without the longer endings.*

*The service alternates between Common Worship Morning Prayer and Morning Prayer from The Northumbria Community.*

*There is a special order for Common Worship for All Saints Tide, Advent and Christmas*
