

Morning Prayer – Daily Lectionary (January-March 2021)

At Morning Prayer we use the collect and New Testament Reading from the Daily Lectionary.

A non-scriptural reading may be added.

We use one psalm, normally printed in bold type in the Lectionary and we usually use the simpler contemporary Collects without the longer endings.

The order of service alternates between Common Worship Morning Prayer and Morning Prayer from The Northumbria Community.

There is a special order for Common Worship for Christmas Season, Epiphany and Lent
